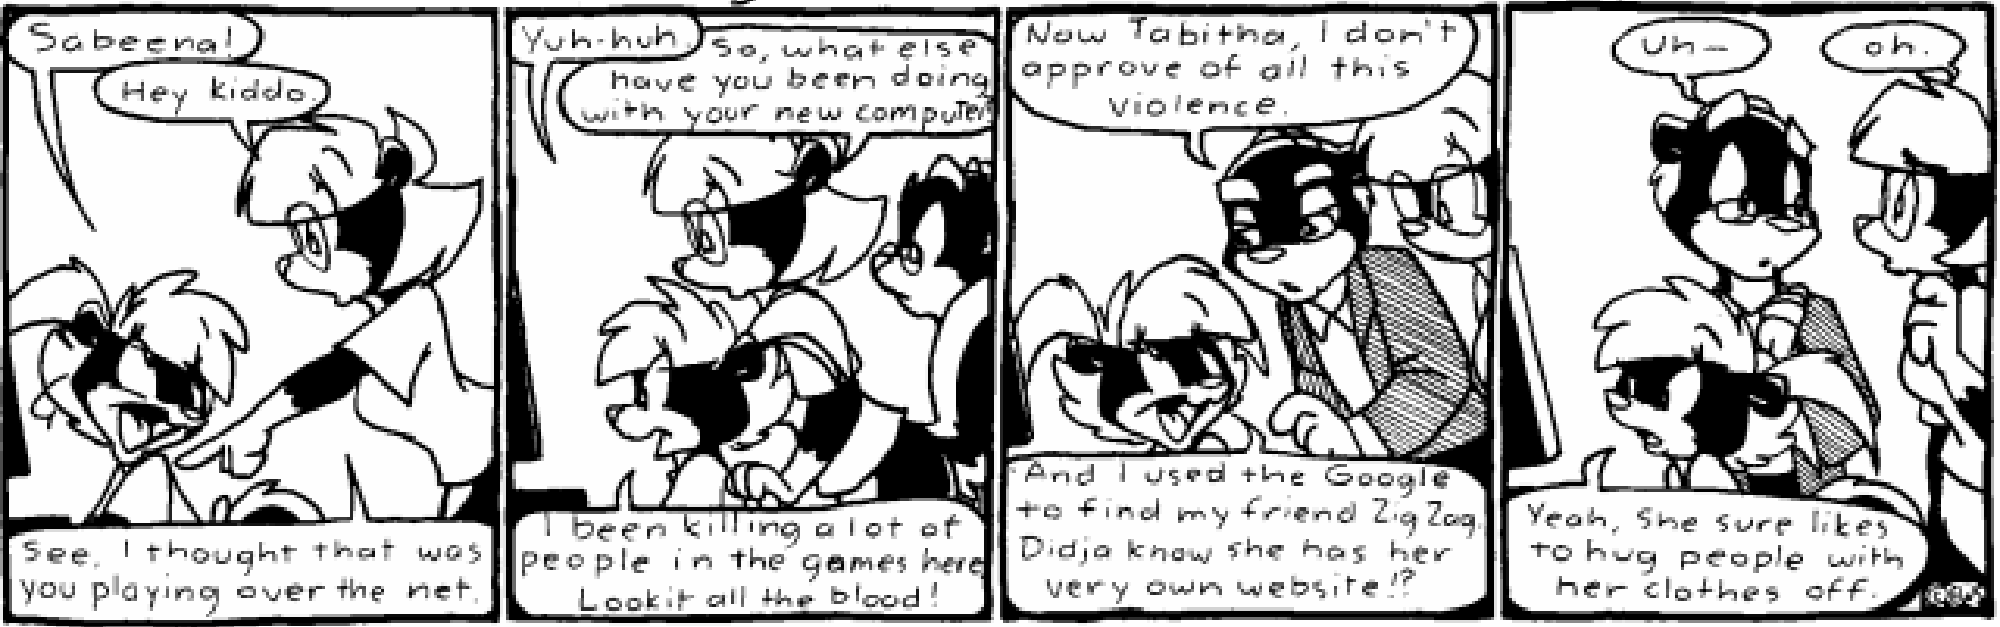
Dad, did you or Mom get Tabitha a computer?
Yes, we gave her one for Christmas, why?
I think I ran into her playing an online game.
Oh, I doubt that. It was a very inexpensive machine. I don't think it even has the internet on it.
Maybe I'd better drop by and make sure everything is safe for her.
Is it really that big a deal? what could happen?
WE'RE VERY VERY SORRY.



Sabeena!
Hey kiddo.
See, I thought that was you playing over the net.
Yuh-huh
So, what else have you been doing with your new computer?
I been killing a lot of people in the games here. Lookit all the blood!
Now Tabitha, I don't approve of all this violence.
And I used the Google to find my friend Zig Zag. Didja know she has her very own website!?
Uh—
oh.
Yeah, She sure likes to hug people with her clothes off.

"Shockwaves of the F-bomb"

What a great few days it's been.
Good times with my good friends.
Sabrina even full-on tackled me.
Too bad she stopped when she saw I was enjoying it.
Best of all, a genuine, real, mind-shattering multiple-O on that last shot!
How could it possibly get-
©EWS
Did you hear that?
Sounded kinda like Zig.
FFFFFFFFF
Don't.

Looks like you have a subconjunctival hemorrhage
Oh my God! Am I gonna die?
No, it's just a broken blood vessel. It looks gruesome, but it's not really any more serious than a bruise.
-on the white of your eye.
It should fade in a week or two. You'll be fine.
Well that's a relief. How did this happen, anyway?
It's more common than you might think. Were you engaging in any strenuous physical activity?
-or was that a stupid question?
Not if you didn't already know what I do.

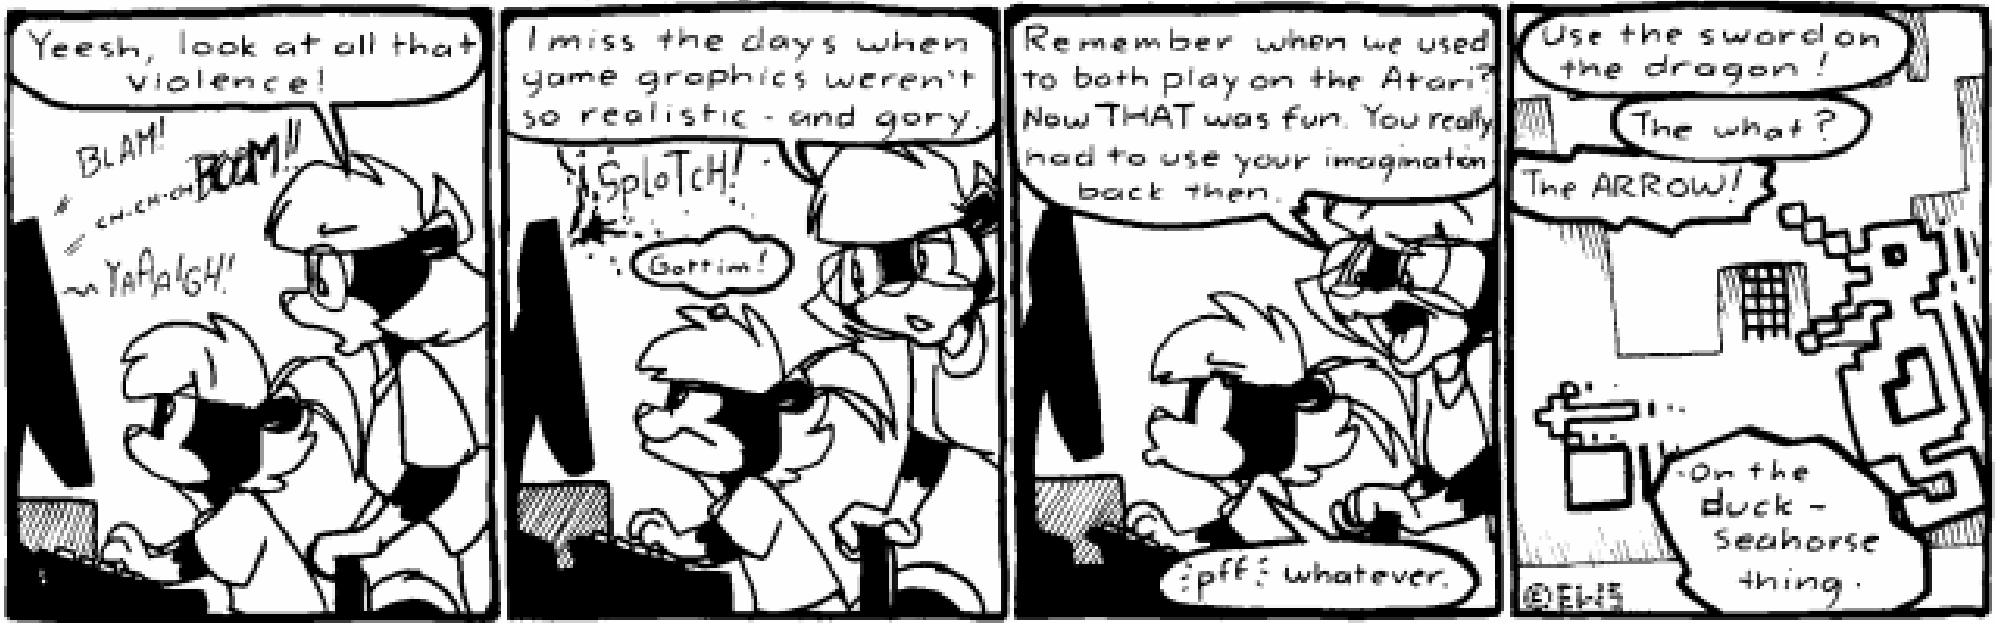
I'll shuffle the shooting schedule around so you and your eye can take a break.
Thanks.
Maybe you can just do scenes that show your rear end instead of your front end.
Cute.
Actually, I've been thinking maybe it's time to do that pirate parody I wanted to try.
?
©EWS
Seems like the right time, don'cha think?
You sure know how to make the best of a situation.
-and for the 'undead zombie pirate' parts...
Rar!
-and how to save money on effects makeup.



Yeesh, look at all that violence!
BLAM!
ch-ch-ch
BOOM!!
~YAHAHGH!
I miss the days when game graphics weren't so realistic - and gory.
SPLOTCH!
Gottim!
Remember when we used to both play on the Atari? Now THAT was fun. You really had to use your imagination back then.
:pff: whatever.
Use the sword on the dragon!
The what?
The ARROW!
On the duck - seahorse thing.

Zig, we need to-
HOLY DAMMIT CHRISTMAS!
Whoa!
So it is noticeable.
Are you- ok?
Don't worry, it's just a busted blood vessel. It doesn't hurt or anything.
How did that happen?
Well remember when you got ticked off and tackled me?
I did that?
Or it was this rough four-way I filmed - or a sneeze I really have no idea.

So, what did you need to talk about?
You look freaky.
Well y'see, Tabitha got net access recently, and ran across the studio site.
Hmmm... How much did she see?
SIGH!
It was just some stuff in the tour pages as far as I can tell. Nothing explicit, some nudity.
I guess that's something what can we do?
First off, there needs to be some measures to keep underage people out of the site, like an age check or something.
Well, as the web mistress, wouldn't that be your job?
©EWS
SQUEE? SHE?
Ah yes, I'm supposed to know that.

Sabrina tells me that you saw naked pictures of me on the internet.
Yeah, but it's OK. I understand why.
You... do?
Yuh-huh! If I had big boobies like yours, I'd wanna show 'em off too!
Look at it like this. I'm making art! - you know, like the nude paintings and photos they have in museums?
Ohhh.. I get it. Neat!
Hey, can you make art with me?
Why not?
Say WHAT!?

"Two gamers on a couch"

YOU KNOW, THERE'S A LOT OF COMICS ON THE WEB WITH PEOPLE TALKING ABOUT VIDEO GAMES.
I'VE NOTICED.
COMICS ABOUT GAMING ARE VERY POPULAR.
MAYBE SABRINA COULD DO SOMETHING WITH THAT.
I DON'T KNOW IF SHE PLAYS ANY GAMES LESS THAN A DECADE OLD.
TOO BAD, THOSE STRIPS PRACTICALLY WRITE THEMSELVES, AND THERE'S NEVER A SHORTAGE OF MATERIAL AS LONG AS NEW GAMES KEEP COMING OUT.
SURE WOULD BE EASIER THAN HAVING TO WRITE YOUR WAY OUT OF SOME STORY CORNER YOU GOT INTO.
SURE WOULD.

No - no no no no no no no no no NO no neoo.
Look, I figure if we just block her totally, she'd just get more curious and determined.
This way she can have her little adventure, and gets to think that she's getting away with something — safely.
Hmmm... You might just have a point.
I promise this will all be completely tasteful.
Really?
Everyone will remain fully clothed
- from the waist down.
NO no no no no no no noooo no no no.

No, I can't let Tabitha go ahead looking like that.
It's not that big a deal, if you ask me.
Maybe not, but I have to look out for my sister.
What about something like this?
Say, that's not bad! It would really play up the artsy aspect too. I like it!
I think this will work out - if you'll allow us to go ahead, that is.
If you follow the guidelines I've laid out, I can live with it.
Cool. So, ever thought of adding contract negotiations to the work you do around here?
really?

Whoa girl, you look great!
YAAYY!
@EWS
I think this classical Grecian look suits us. It's sexy and classy at the same time.
And most important, it covers you both.
Whatever. It's working for me.
HEAVE!
wow.
Something wrong kid?
Every boy in the world must wanna be your friend!
It's not as good as it might sound, trust me.

"Two boobs talk about breasts"

I wish I had boobies like you got. They would make boys do what I say!
You might yet, once you grow up.
I mean, your sister already has nice ones.
Watch it, - and thank you.
For that matter, I think your mother's might be a little bigger than mine.
My?...
Uhm~~
Is she OK?
You must've crashed her brain. She'll reboot in a minute or two.

Great work Cathy.
You're the best hair and makeup girl in the business.
THIS business maybe.
I DID THE MAKEUP MYSELF!
You what?
Sorry, she got away from me.
I'm TOTALLY BEAUTIFUL!
Wow.
Just ... wow.
Then good news! You get to have it all re-done by a real professional!
YAA AAY!
I'll get my squeegee.

It's tough keeping up with Tabitha, isn't it?
You're telling me! It's harder than picking camera angles for a scene with an elephant.
SM3D
Can you see anything?
Maybe if I backed all the way out of the room.
What the hell was THAT!?
Hey, we work in media! We should have more power to set up random cutaways than some fat New England guy!

So, are we ready to do this photo shoot?
Ready!
Hmm - this is turning out much classier than I would have guessed.
I never would have expected this to work out as well as it seems to be.
Of course, I never would have thought I'd let this all go anywhere near this far either.

These photos came out great!
Uh-huh.
Let's put them up on the website.
What?
No way!
Why not? They're totally adorable!
Well, besides it being unlikely you'll get permission from Mom & Dad there's this:
It's an image of a scantily-clad famous porn star cuddling a child, on said porn star's adult web site.
What kind of reaction do you expect from that?
and do you really want the attention of the sort of people who would be attracted by that photo?
Whoa.
What the hell was I thinking?
I've been wondering that since this whole thing started.

"Here's how a whole story could be bypassed"

Hi Daddy!
Hey kiddo.
Sabrina, did you take care of the situation?
Yeah, Zig Zag and I had a talk with her, we had a photo shoot, and everyone's happy.
Well, that's very-

President Arachnia organized a rescue mission to bring you back home. We need you there! All these new movie toys are strutting around like they own the place.

Look, in case you haven't noticed, I'm more than happy to stay here with the anime figure harem. I'll pass on that rescue. thanks.
So — that's it?
Hey, I think I might be pregnant!
You too?
Wow, me too!
OH DEAR, WILL YOU LOOK AT THE TIME!

They're not identical!
They're not?

This is the original one with the black limbs, This is the premium version with the battle mask
This one has shoulder cannons, and this is the new one based on the production Camaro, and with a movie-accurate face.
Looks like a scared lemur.
Yeah, a little.
I see.
So, does anyone care about those details other than people like you?

General Motors?
Everyone knows the premium toy tastes better.

Say, is anyone else concerned about that new Optimus Prime toy?
Yeah! He's channeling way too much of the ultra-violent character from the movie.
No kidding, man! He acts more like a creepy serial killer or something.
I'm sure he is only fighting evil, and is really quite normal and not scary at all.
SCREAM
©EWS

That Optimus Prime toy is running amok! Aren't you freaked out by this?
Not really, no.
Yeah, he's only going after you Decepticons. We're pretty safe.
Aren't you Autobots supposed to be compassionate to those in danger?
Meh.
Speaking of Decepticons, didn't we elect one President a while back?
Sure did! I feel all progressive 'n' stuff!
Hmmmmm...

Holy Jeez! That homicidal Prime won't stop until he tears us all apart! He's worse than an 8-year-old with a phillips-head screwdriver!
Relax guys! I got this one.
YOU!? What can you do? blast anime opening theme tunes at him?
Nah, I just called in a favor from an old friend.
COME OUT, EVIL-DOERS! GET OUT HERE SO I CAN RIP YOUR FACES OFF!

I think you're way too sexually interested in adults for that.

This is about Tabitha coming here, isn't it?
Sorry, the whole experience kinda got to me.
I thought "Give the kid a little adventure, satisfy her curiosity to keep her out of trouble." but I may have only made things worse.
But Sabrina saw through to the dangers I missed, I'm supposed to be the street-smart one, dammit!
It's not like you're hot for Tabitha though, right?
She's a great kid and so cute,
but no
I really don't think you need to worry then.
You're not into kids, you just have a messed up view on what is acceptable around them.
That's very sweet of you to say.

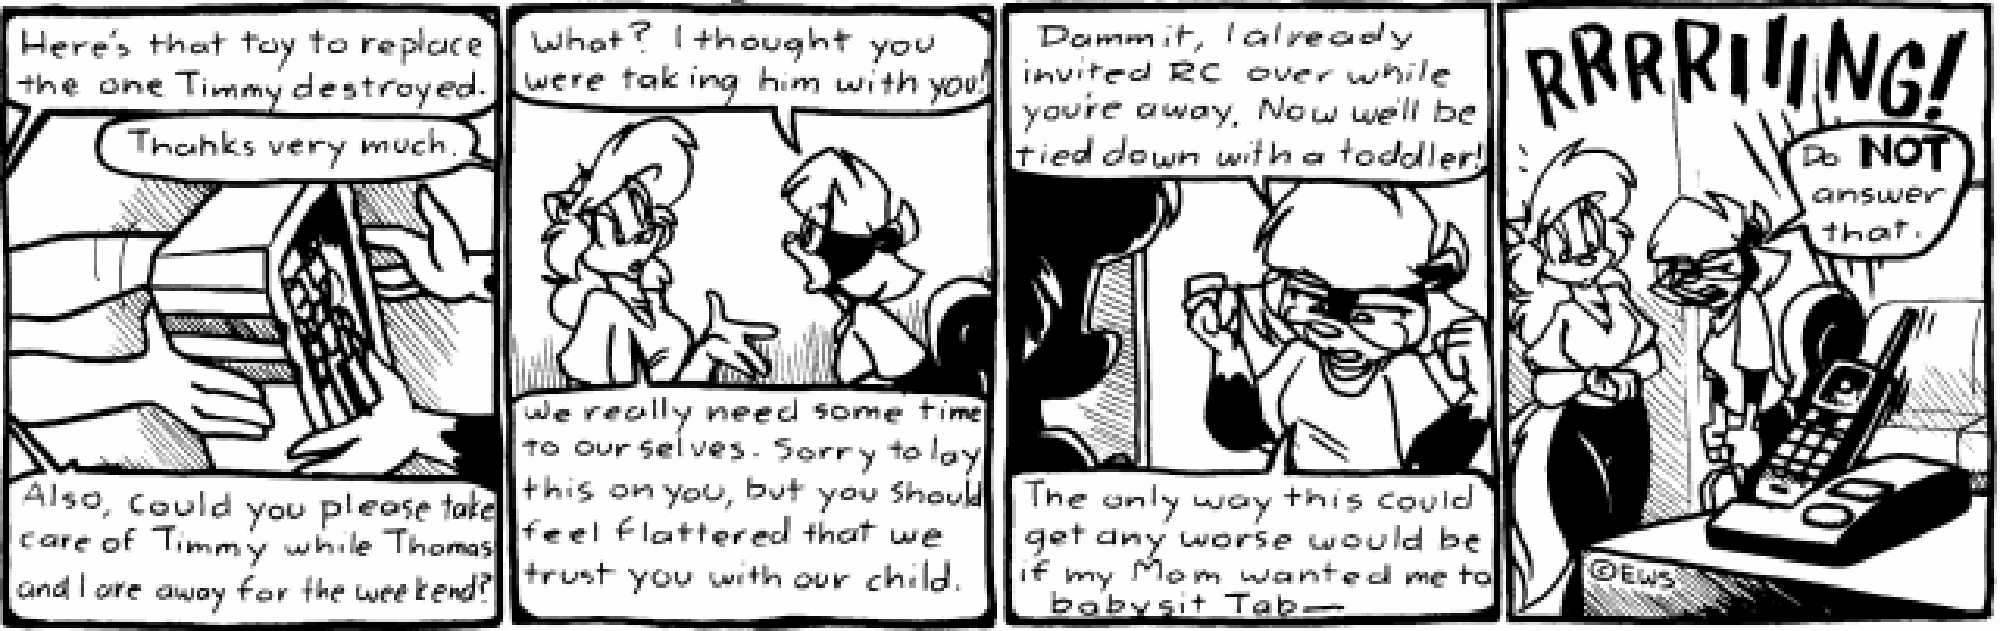
Good morning husband.
Good morning to you, sexy.
Hi!
So, ever thought about getting away for a while?
Definitely
©EWS

Cleared up that stuff with Tabitha?
More or less. Anyway, I think it's high time we got together again.
I agree!
©EWS
Amy and Thomas will be going away on a trip, so we'll have the place to ourselves.
It will give me the chance to return your hospitality from last time. (wink)
Sounds great to me. I'll be there!
Did you finally get over having your folks walk in on us?
Don't start. You'd be the same way if it happened the other way around.
You might be right.



Here's that toy to replace the one Timmy destroyed.
Thanks very much.
Also, could you please take care of Timmy while Thomas and I are away for the weekend?
What? I thought you were taking him with you!
We really need some time to ourselves. Sorry to lay this on you, but you should feel flattered that we trust you with our child.
Dammit, I already invited RC over while you're away. Now we'll be tied down with a toddler!
The only way this could get any worse would be if my Mom wanted me to babysit Tab—
RRRRIIING!
Do NOT answer that.
©EWS

The new one's here already?
Great. We get rid of one killer toy only to have an identical one pop up to replace it.
Well? Go check it out!
You do it!
You.
YOU!
Hey.
AAAH!
uhh - hey.
Do... you want to... take my face?
Are you coming on to me?
PHEW!
©EWS

Sabrina! I have arrived!
Congratulations, You're a father.
Now, I might be naive, but I'm pretty sure it doesn't work that way!
Welcome to adventure.

"Off to a flying start"

So, what happened?
I didn't realize Amy and Thomas' trip plans did not include Timmy.
I'm sorry.
Aw, that's okay. We'll just have to make the best of it. Right, sport?
Right?
rrRight?
He doesn't speak yet.
I think a lot though!
©EWS

As I recall, you tried to feed me frozen TV dinners while I was at your place.
That is true.
Well, we'll have none of that in this house!
We shall have a true, hot, home-cooked dinner tonight!
Sounds great!
Darn right! So, do you want hamburger helper or tuna helper?
